§ 76.560 General indirect cost rates; exceptions.

(a) The differences between direct and indirect costs and the principles for determining the general indirect cost rate that a grantee may use for grants under most programs are specified in the cost principles for—

(1) All grantees, other than hospitals and commercial (for-profit) organizations, at 2 CFR part 200, subpart E—Cost Principles;

(2) Hospitals, at 45 CFR part 75, Appendix XI, Principles for Determining Costs Applicable to Research and Development Under Awards and Contracts With Hospitals; and

(a) If the Department of Education is the cognizant agency, the Secretary approves an indirect cost rate for a State agency and for a subgrantee other than a local educational agency. For the purposes of this section, the term local educational agency does not include a State agency.

(b) Each State educational agency, on the basis of a plan approved by the Secretary, shall approve an indirect cost rate for each local educational agency that requests it to do so. These rates may be for periods longer than a year if rates are sufficiently stable to justify a longer period.

(c) The Secretary generally approves indirect cost rate agreements annually. Indirect cost rate agreements may be approved for periods longer than a year if the Secretary determines that rates will be sufficiently stable to justify a longer rate period.
